E.s.t 5.6

We been on it ever since  
The London Bridge didn't fall on this  
'Cause the shit we wear was too flame, never missed  
Designed for sure cultured  
The minds of greats un-altered  
Define the rights dream about skies  
Paint a perfect montage on summer nights  
Trenched down head to toe  
Laced out high to low  
Perfumed, yeah you know  
Cosmetics for the show  
Check the tape, operator  
This pattern needs to co-operate  
To flex our haymaker I'm tailor made  
Punctuate, I'm tailor made, Burberry made  
Flex on ya yay yay  
I'm Burberry made  
High fashion ain't cheap  
Draped down to my feet  
Flex on ya yay yay  
I'm Burberry made  
High fashion ain't cheap  
Draped down to my feet  
Cameras flashing  
Lights, action  
No collaboration  
No elaboration  
Walkway, that's always my stage  
I'm the king, check yo queen  
Checkmate  
Shades on days, yeah  
Askin' my name, yeah  
Fly as hell on nights, game, yeah  
That I mean, made it clean, yeah  
Clean out, two tone, we movin' on  
Lean on, red zone, we movin' on  
No doubt, lights out, 'til the dawn  
Night in, night out, Dom Perignon  
Yeah uh jump in the Rolls  
Yeah uh check on my clothes  
Yeah uh cash and the O's  
Yeah uh I just might buy you a rose  
Flex on ya yay yay  
I'm Burberry made  
High fashion ain't cheap  
Draped down to my feet  
Flex on ya yay yay  
I'm Burberry made  
High fashion ain't cheap  
Draped down to my feet  
Flex on ya yay yay  
I'm Burberry made  
High fashion ain't cheap  
Draped down to my feet  
Flex on, flex on ya  
Yeah, I'll flex on ya  
Flex on ya yay yay  
I'm Burberry made  
High fashion ain't cheap  
Draped down to my feet  
Flex on ya yay yay  
I'm Burberry made  
High fashion ain't cheap  
Draped down to my feet
